## LUBRICATING OIL

### FL Fumiclean B Low Odor Cleaner

#### Description

A superior quality hydrocarbon system cleaner to use between metalworking processes with low odor characteristics.

#### Application

Recommended for washing off neat metalworking fluids (such as cutting oils, forming oils, etc.) and rust preventive oils. It is also suitable for washing processes that requires solvent based cleaner.

#### Characteristics

1. Excellent performance in washing off unnecessary metalworking fluids from parts
2. User concern cleaner due to its low odor characteristic
3. Does not contain any impurities
4. Safe to use on iron, steel and other non ferrous metal
5. Due to its solvent characteristic, FL Fumiclean B has a superior drying ability
6. Recommended for use with parts-washing equipments and ultrasonic cleaning processes
7. Very low odor, pleasant to be used indoors

#### Packing

20L pail, 200L drum

#### Typical Properties
